Action Taken Report on Feedback from Stakeholders

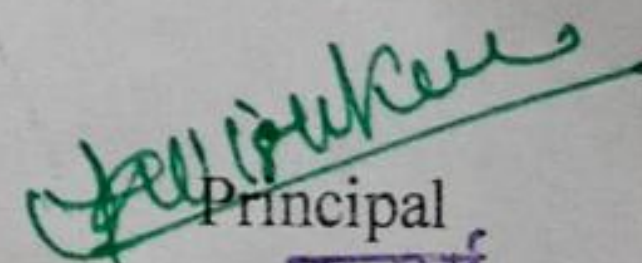

Academic session 2020-21

Based on the feedback received from the teachers, students and alumni of this institution and on the basis of its analysis and interpretation the following report is being prepared with a view to improve the curriculum and teaching learning process in the future. The report is also being communicated to the different departments, so that they may incorporate these inputs in the delivery of the contents in the classes.

1. Increase the number of respondents for feedback.
2. The consistency in learning objectives achieved so far needs to be maintained in the future also.
3. Curriculum need to be reinforced with more activities like quiz, group discussion to make it more student centric.
4. More active participation in project/ fieldwork.
5. Creating a pool of e resource specially for online classes.
